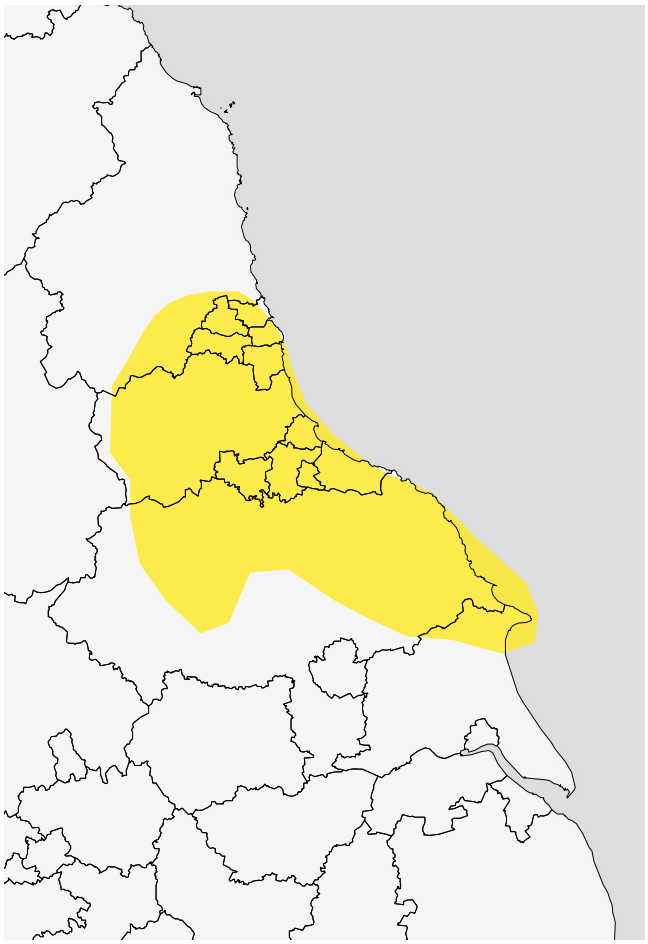
Yellow warning
**Rain**

Between
**16:00 Thu 11 Jun 2020** and
**14:00 Fri 12 Jun 2020**



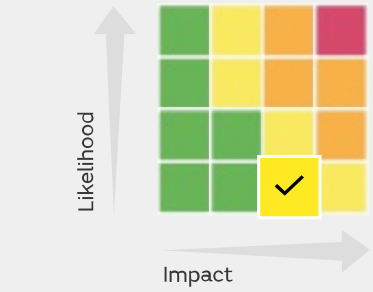
## A spell of heavy rain may bring surface water flooding and affect travel.

### What to expect

- There is a small chance of fast flowing or deep floodwater with homes and businesses flooded, causing damage to some buildings
- There is a small chance that some communities become cut off by flooded roads
- Spray and flooding on roads probably making journey times longer and there there is a slight chance of delays or cancellations to train and bus services as well as road closures.
- There is a slight chance of power cuts and loss of other services to some homes and businesses

### Further details

Rain will become heavy and persistent during Thursday evening, overnight and into Friday morning. Widely 30-40 mm of rain is likely with spots of 50-70 mm in places. These higher totals are most likely over the high ground of the North York Moors.



Very low likelihood of medium impacts
